Figure 1 illustrates a screen layout for a product information page. The layout is divided into several sections:

- Header:** A title bar at the top reads "製品情報確認ページ(管理用)".
- Main Content Area:** A large rectangular box on the left is labeled "画像表示" (Image Display). To its right is a smaller box labeled "コメント一覧" (Comment List).
- Filter Sidebar:** On the left side, there is a vertical stack of filter buttons: "品名" (Product Name), "価格" (Price), "ジャンル" (Genre), and "レベル" (Level). Below these is a box labeled "検索実行" (Execute Search).
- Footer/Bottom Section:** At the bottom, there is a box labeled "検索" (Search) and a box labeled "表示設定" (Display Settings).
